Vermont Historical Society,  
Montpelier, Vermont.

Dear Miss Wright:-

I have your letter of the 31st but regret that I am unable to give you the information that you desire. I know that there is a collection of military buttons at the Essex Institute, and I am sending your letter to Mr. John Robinson with the request that he reply to you direct.

Very truly yours,

Secretary and Librarian.

John Robinson, Esq.,  
Essex Institute,  
Salem, Mass.

Dear Mr. Robinson:-

I am taking the liberty of enclosing a letter sent to us by the Assistant Librarian of the Vermont Historical Society. You have such an important collection of military buttons at your museum that I am sure it will be easy for you to identify this piece for her, and I know she will appreciate whatever you may be able to do.

Very respectfully yours,

Secretary.
